

Private Immigration Fees from 18th August 2025

All our fees are inclusive of VAT (unless stated otherwise) but exclusive of Home Office Fees, Tribunal Fees and other disbursements (these include but are not limited to interpreter fees, translation fees, counsel fees and expert fees – *see below for current fees)

Please note that the fees below are an indication only. A higher, fixed fee may be chargeable where a matter is more complex. Factors that are likely to see an increase in fee by way of example, but not limited to, are previous negative immigration decisions, and criminal convictions.

We reserve the right to charge an additional fixed fee, should further work than anticipated be required during the course of the matter. We will inform you of the same at the earliest opportunity.

We offer a 10% discount for returning clients or clients producing a validated discount card on their initial appointment.
